Upgrade your door viewer with 1080p video quality

———

The DP2C captures all front-door activities in FHD resolution, and allows real-time video viewing from both the EZVIZ App and the indoor color screen. The large, 4.3-inch screen is especially useful for the elderly and children, helping them to see who's outside more easily and clearly.

Your doorbell is ringing

It rings and lets you know who's knocking

When the visitor presses the doorbell button, you hear a pleasant ringtone thanks to the DP2C's built-in chime, and receive a real-time video call on your phone. This way, you'll know how to respond even before you get the door.

Hi, you have a delivery.

## Smarter detection with real-time alerts

Do you get worried about your home while you're away? The DP2C ensures you get mobile alerts about any front-door visitors right away, thanks to its PIR motion detection feature.

Whether you live in an apartment with a narrow hallway, or a house with a large front yard, you can always customize your alert trigger conditions by selecting one of the three levels of detection sensitivity.

Sturdy and stylish design

Thoughtfully designed, the DP2C fits seamlessly into your door with easy installation. The exterior camera features an anti-prying design so it's fully tamperproof, protecting your family's privacy.

Compatible Door Thickness:
35 - 105mm

Compatible Peephole Diameter:
16.5 - 50mm

Long-lasting protection with 3-month battery life

Equipped with a built-in 4,600 mAh rechargeable lithium battery, the DP2C ditches any complex wiring. The extended standby time reaches up to 90 days[2] with its smart power-saving functionality.

We do our best to protect data and privacy

1 A local storage card must be purchased separately. We have upgraded all DP2C wire-free peephole doorbells to support large microSD cards up to 512 GB. For users with older versions of the device, please update your device to the latest firmware on your EZVIZ App to support the upgrade. The cloud storage service is only available in certain markets. Please verify the availability before making a purchase.
