

T35W

Smart Home Wi-Fi Relay

Illuminate your home with smart control

No more inconvenience or worries about lights left on. The T35W redefines the way you interact with your lights. Now, control and schedule your lights with a simple tap on your smartphone from anywhere you please. Hands-free control at home is also available, as your voice effortlessly enables the lights. This Wi-Fi relay stands vigilant with its safety designs, protecting your home from potential electrical hazards.

-  Wireless Control
-  Easy Control via EZVIZ App
-  Multiple Safety Designs
-  Time Schedule
-  Smart Integration with Google Assistant & Amazon Alexa¹
-  Supports Matter Connectivity²

Wireless lighting control, wherever you are

No longer stress about leaving lights on if you have to rush out - the T35W will take care of it. Just a few taps on your smartphone, you can alter the lighting status as you'd like.

Create lighting routine to make your day

Imagine returning home to a delightful, well-lit atmosphere or shutting off lights effortlessly to save energy during specific periods. With customized time slots at your disposal, achieving these scenarios becomes a breeze.

Seamless control powered by your voice

With the T35W, your light is always ready to illuminate your sweet home at a simple "Hey Google" or "Alexa".

Alexa, turn on the ceiling light.

1. Google Assistant is not available in certain languages and countries.
2. Please note that only the latest version of the T35W model supports the Matter protocol. Please check compatibility before making a purchase.

Physical

Sensor type	Wi-Fi Relay
Radio frequency	2.4GHz
Size	38.4*43.8*18.5mm
Net weight	26.5g
With package	89.4g
Mounting	Wall console
Conductor cross section	22 to 14 AWG
Shell material	Plastic
Color	White

Electrical

Power supply	100-240VAC, 50-60Hz
Power consumption	≤1.5W
Channels	1 Channel

Connectivity

Sensor type	Wi-Fi sensor
Radio frequency	2.4 GHz
Wi-Fi Standard	IEEE802.11b, 802.11g, 802.11n
Wi-Fi distance	≤ 200m in open environment

Environmental

Operating Conditions	-10°C to 45°C (14°F to 113 °F), Humidity 95% or less (non-condensing)
Storage temperature	-10°C to 45°C (14°F to 113°F)
Max. altitude	2000m / 6562ft

Smart Features

Third-Party Compatibility	Google Assistant; Amazon Alexa; Matter
