

Akiitu SuperSoft Series

60W / 240W

Type-C to Type-C Charge Cable

**Charge faster, feel
smoother, live brighter**

From plug to power in a flash

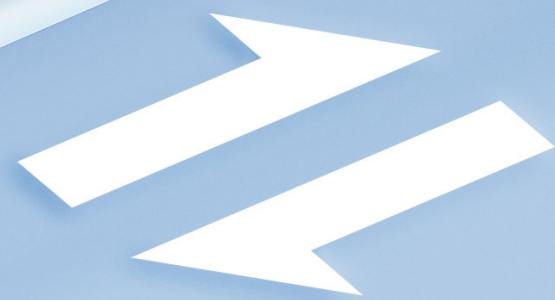

Charge at the speed of life. The SuperSoft Series delivers two GaN fast-charging cables, available in 60W and 240W, for lightning-fast power on the go.¹ Whether it's your phone or laptop, enjoy ultra-efficient charging that keeps you moving without missing a beat.

Fast has never felt this smooth

Blink and it's done. The SuperSoft cable transfers a 1GB movie in just 24 seconds at 480Mbps, making every file, photo, and video fly in record time.²

480Mbps

Soft to the touch like never before

Made from skin-friendly, non-toxic silicone, the SuperSoft cable feels as smooth as it sounds. Its supple texture bends effortlessly around your hand or bag, preventing kinks and tangles that ordinary cables cannot match.

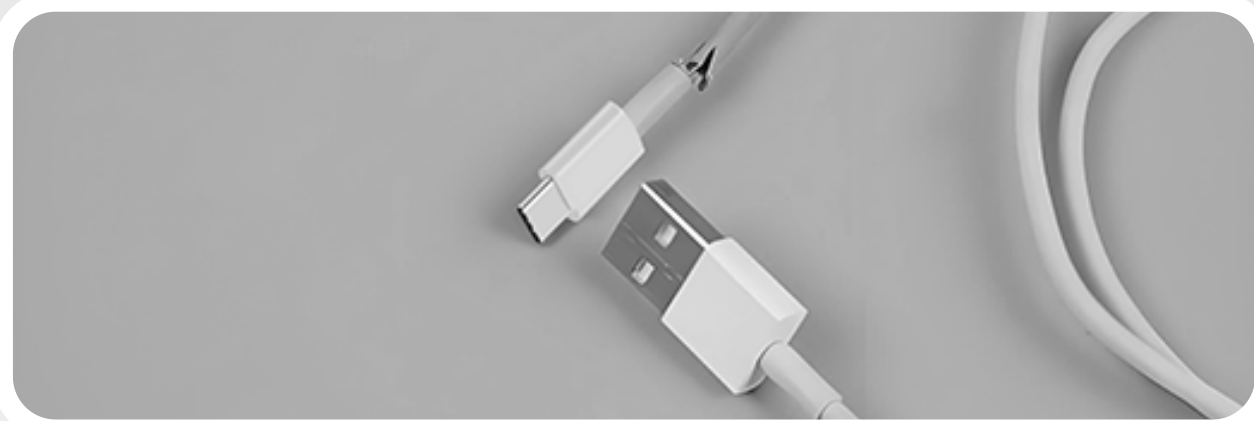

Soft, comforting touch that truly outlasts

Ordinary Silicone Cables

Sticky surface to attract stains easily

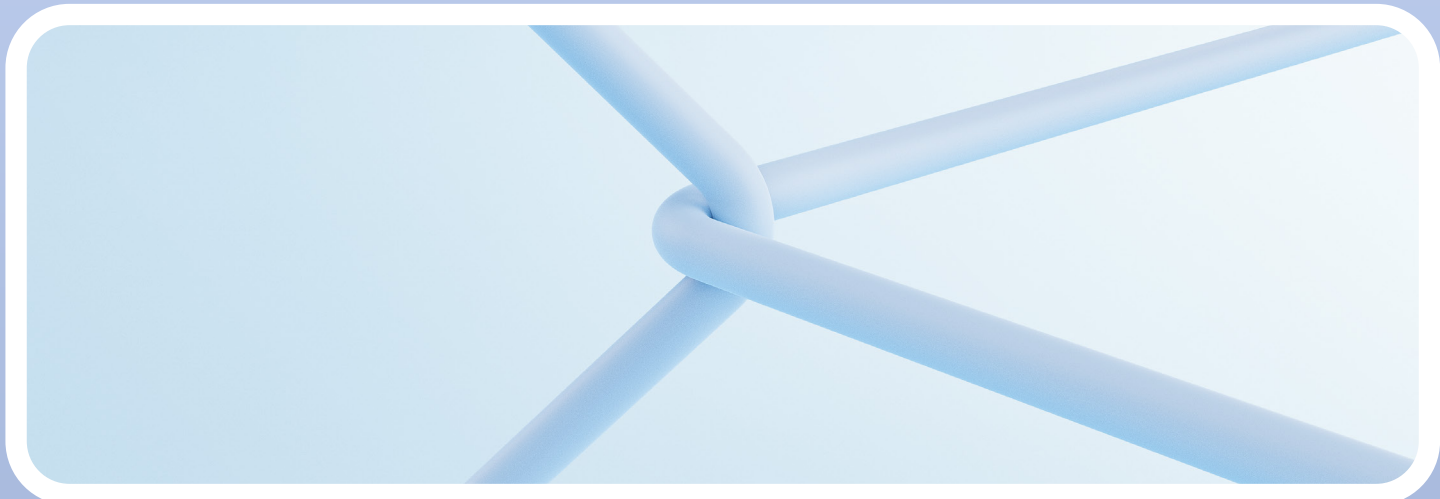

Soft yet tend to wear & tear

Akiitu SuperSoft Series

Fade-resistant finish with one-step cleaning

Tangle-free & durable

No knots, no breaks, no hassles

Done fighting tangled cords and flimsy cables? Meet the SuperSoft Series, built to bend, not to break. With 28,000-bend durability and a tangle-free design,³ it's your go-anywhere companion for charging made easy—at home, in the office, or on the move.

Looks new, feels new, always

Forget cables that turn greasy or grimy over time. The SuperSoft Series stays fresh and flawless, thanks to its anti-aging materials that resist oil, sweat, and wear, so it feels brand new, no matter how long you've had it.

Your reliable partner of built-to-last

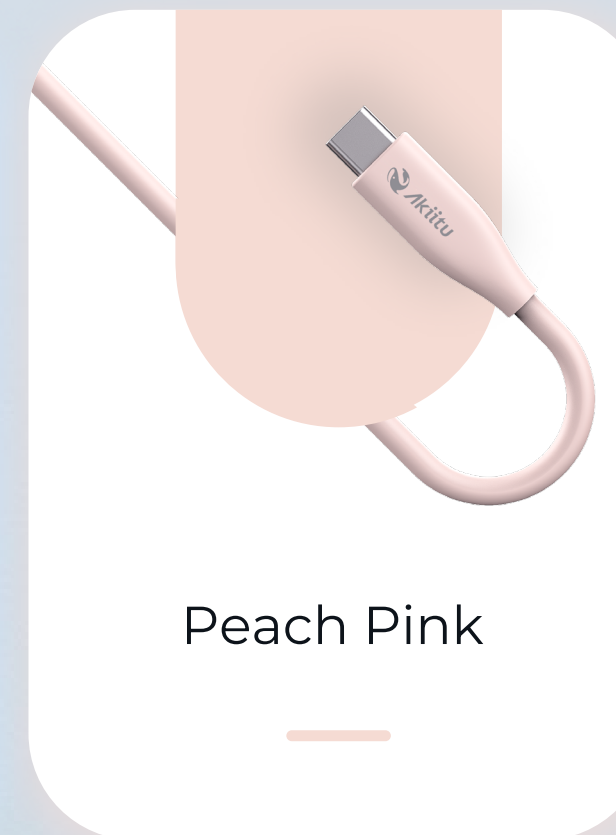

Built tough to keep up with you. The SuperSoft Series sports a durable anodized aluminum cable connector, proven to handle over 10,000 plug-ins with ease.³ Rust-resistant and ready for action, it delivers a solid connection every time you power up, day after day.

Colorful styles that spark your routine

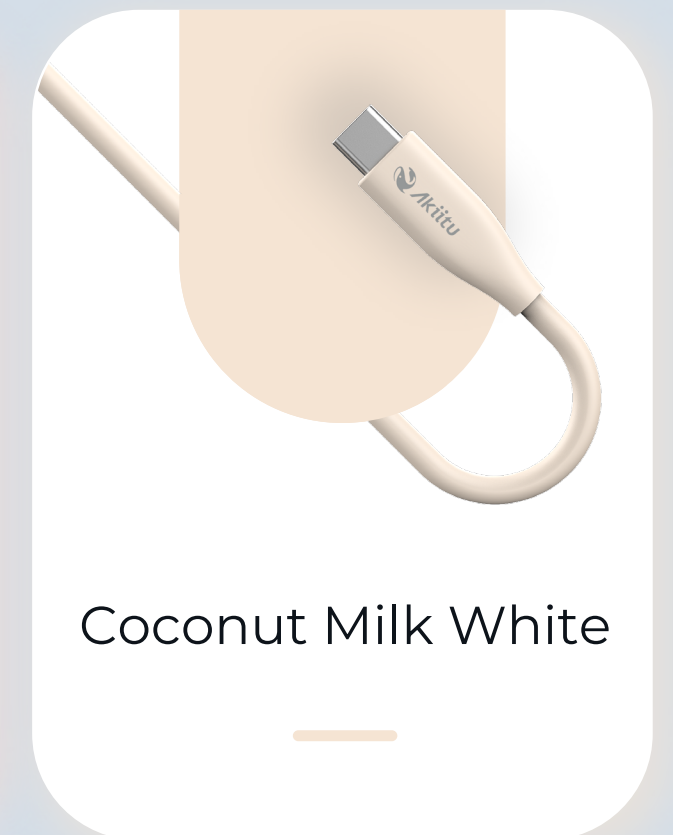

Ditch the dull. The SuperSoft Series lets you color your charge with personality, pick the shade that matches your mood, your vibe, or your day.
