Akiitu powered by EZVIZ

Akiitu GaN Fast Charger Pro Series 65W

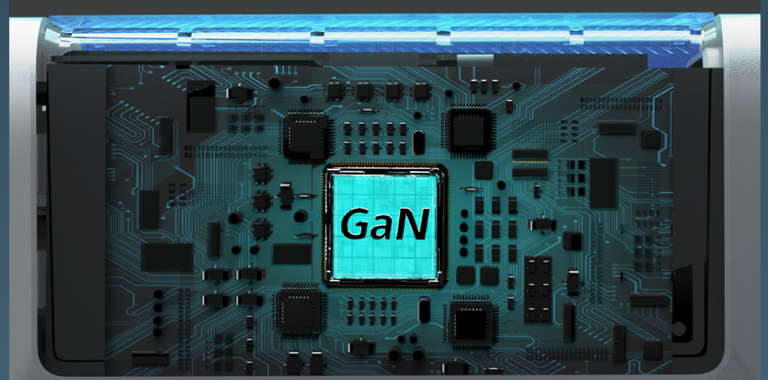
GaN Charger

GaN-speed power, wherever life takes you

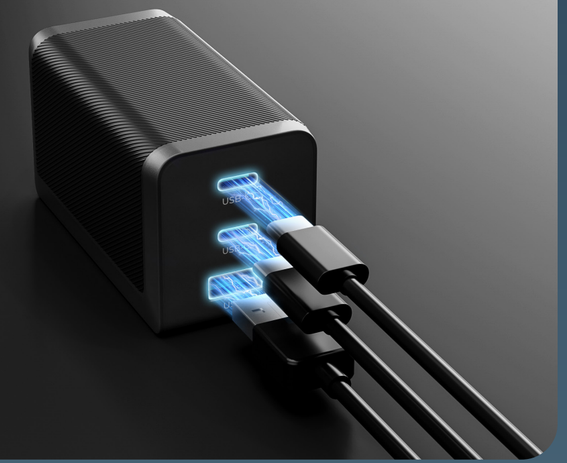
Reasons to buy

PD 65W Max Fast Charging

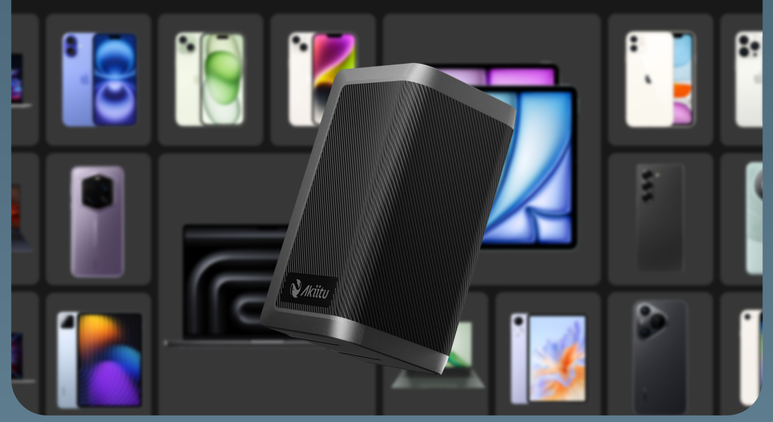
Advanced GaN III Technology



Three-Port Charging

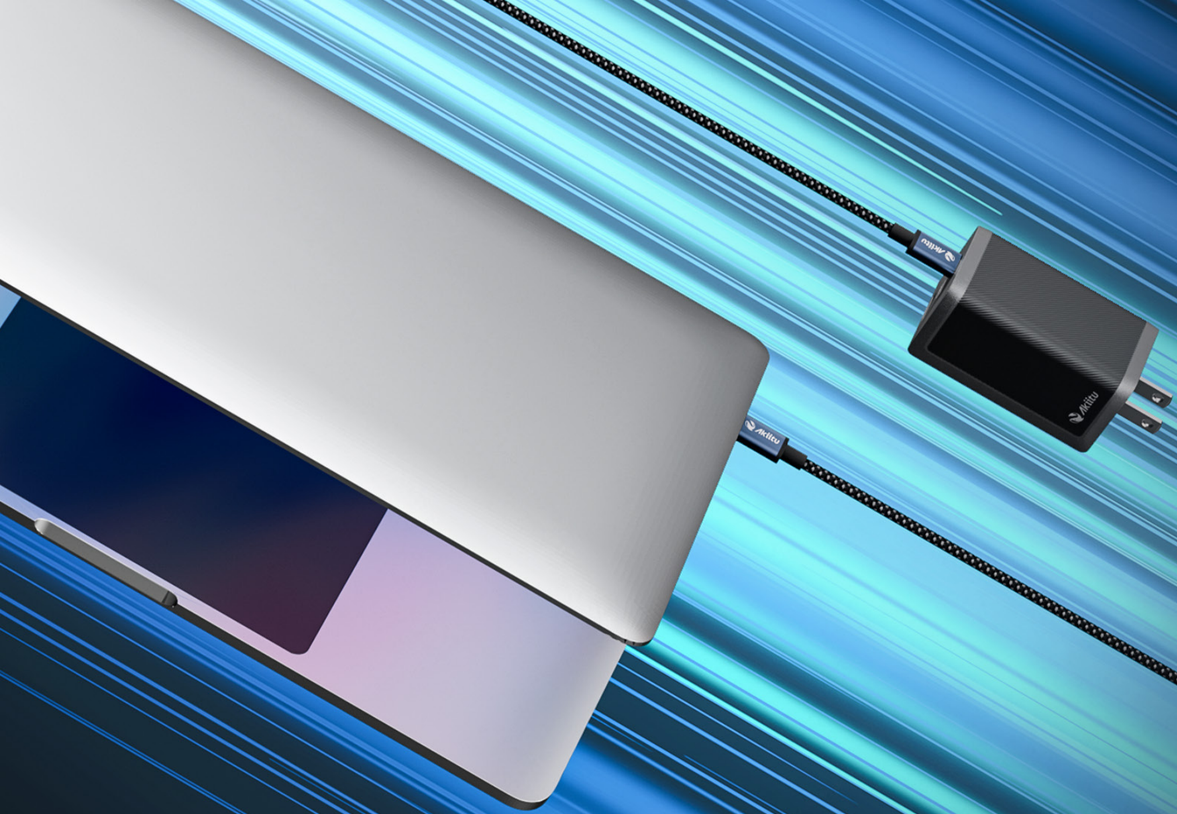


Universal Compatibility with Multiple Devices



Tested and Reliable Protection for Peace of Mind

Portable Design for Any Travel Need



Faster charging than you’d imagine

The Pro 65W charger provides up to 65W of power through a single USB-C port, enabling lightening charging for your laptop.[1] Stay powered and ready, no more missed meetings or last-minute edits.

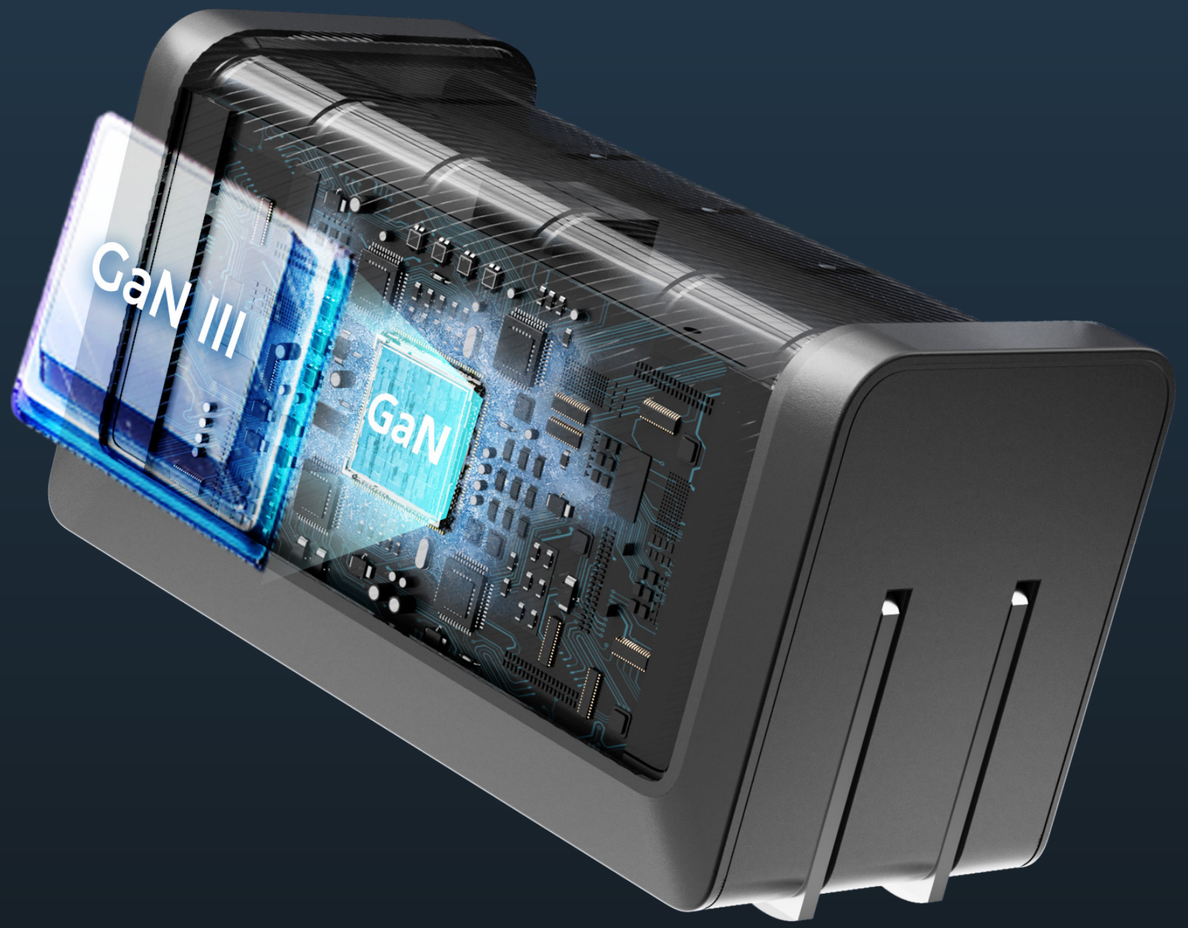
Single-Port Charging

Two-Port Charging

Three-Port Charging

Tiny yet powerful, all by GaN III technology

Powered by next-gen GaN technology,[2] the Pro 65W charger delivers faster, more efficient charging in a compact, pocket-friendly design. It stays cool, runs quietly, and proves that high performance doesn't have to mean extra bulk.



Higher Efficiency

Less Heat

Smaller Size

One charger, threefold convenience

Tired of lugging around bulky adapters on long trips? The Pro 65W charger offers a compact three-port design that charges your phone, tablet, and laptop simultaneously—quickly and efficiently. With wide voltage support (100V–240V), it's the perfect companion for a global travel.[3]

Three-Port Charging

Neat charging

Multi-device charging

Travel light

Ultimate stability

More possibilities for you to discover

Everyday charging made safer and easier

The Pro 65W charger is built with multiple safety features to protect both the charger and your devices. Whether you're asleep or forget to unplug, you can charge with peace of mind.

- Over-power protection
- Over-current protection
- Short-circuit protection
- Over-voltage protection
- Over-temperature protection
- Fire-retardant protection

One-stop shop for all your devices

The Pro 65W charger supports charging almost all the popular devices on the market, such as iPhone, Air pods, Samsung, Xiaomi and more.[4] Feel the confidence of having all your devices powered and ready to go, all with a single yet powerful Pro 65W charger.

1 The cable is not included in the kit. Please verify the product compatibility before making a purchase.

2 Gallium nitride is a new type of semiconductor with high temperature resistance and high efficiency. Smaller and lighter, the GaN charger can offer higher-power fast charging with reduced heat and energy loss.

3 Please note that the Pro 65W charger must be used with a travel adapter if you are traveling abroad.

4 The Pro 65W charger supports multiple charging protocols such as PD2.0, PD3.0, PPS, QC2.0, QC3.0, QC4.0, AFC, SCP, FCP, APPLE 2.4A, SAMSUNG 5V2A, BC1.2.etc. For more supported models, please refer to the actual use.

Specifications AK-PAG65PN-R100-GYTTA
