Speedy charging that fuels your day

Just plug in, power up, and you're ready to roll, instantly. Pick your performance: 60W for fast, on-the-go charging or 240W for full-throttle power. Either way, you'll spend less time plugged in and more time powered up.²

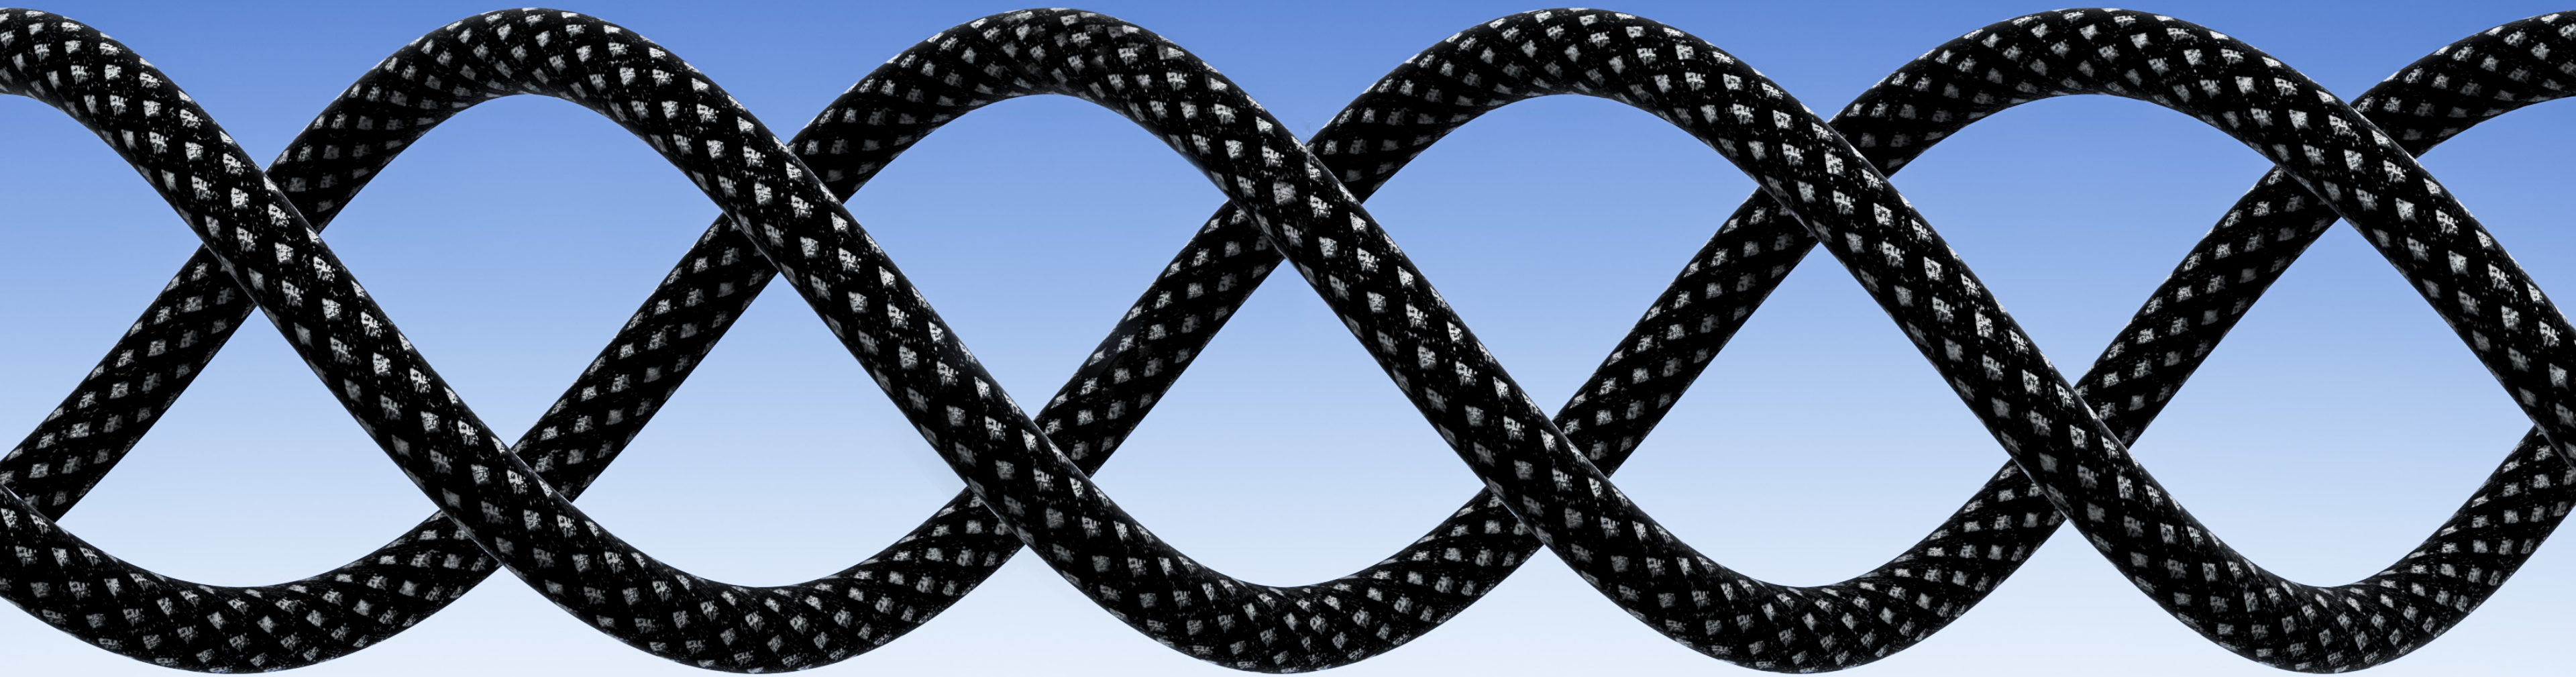

Fast enough for your biggest ideas

Created for those who move ideas at the speed of inspiration, the Pro Series delivers up to 480Mbps of effortless transfer power. With its 40Gbps USB4 Gen3 cable, every 8K masterpiece arrives exactly as you imagined it: rich, vivid, and perfectly true, with no quality loss.¹

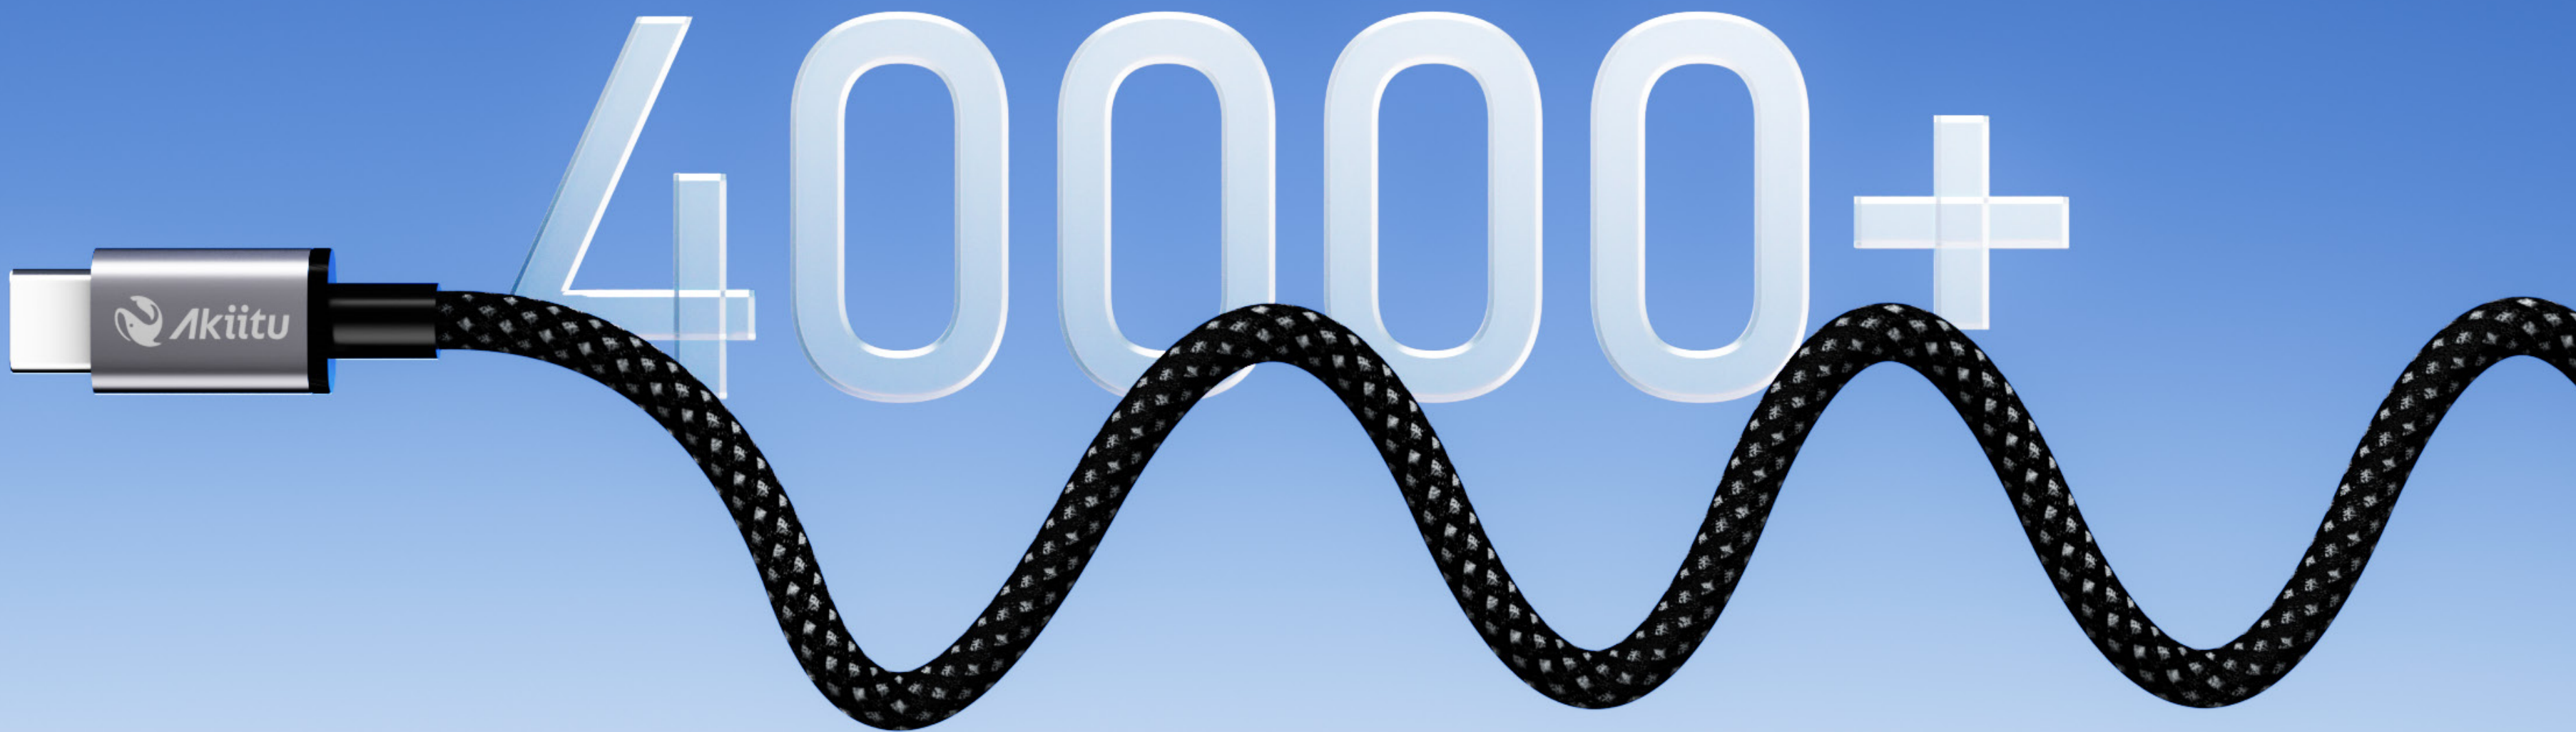

Time-tested durability woven into every fiber

From morning hustle to midnight ideas, the Pro Series is made to move with you. Its durable 250D nylon braid stands strong through every twist, bend, and pull, so your devices stay powered and your day runs without a hitch.

Power that lasts as long as you do

The Pro Series is your go-anywhere, charge-anytime cable. Designed to outlast PVC cords and tested through 40,000+ bends,³ it's tough enough for real life—so you can power up without thinking twice.

Solid and reliable, even through the harshest moment

Built to stay beautiful inside and out, the Pro Series uses an anodized aluminum connector that won't rust or wear out easily. It's durable, dependable, and always ready wherever you are.
