C6c

2K Type-C

Smart Home Camera

Easy protection with elevated performance

Boasting a crisp 2K resolution, and 360-degree rotational view, the C6c 2K effortlessly watches over a large room to provide protection as you need. Enhanced by AI-powered human shape detection and auto-tracking, it captures important indoor activities to keep you well informed. A blend of great versatility and advanced functionality, the C6c is your trusted choice for home security and family care.

- Panoramic View
- 2K Resolution
- Starlight Lens
- AI-Powered Human Shape Detection
- Auto-Tracking
- Two-Way Talk
- Privacy Shutter
- Smart Integration with Google Assistant & Amazon[1]
- Supports MicroSD Cards (Up to 512 GB) & EZVIZ CloudPlay Storage[2]

Every angle covered in 2K clarity

With the C6c, even an intricate environment comes to life with details in 2K resolution. The camera rotates smoothly to take in information from all directions, offering a comprehensive, 360-degree view of your room.

Safeguard all hours with crisp images

Thanks to its starlight sensor, the C6c camera manages to maintain a vivid and clear vision even when there are only dim lights. You don’t need to worry about blurred or overexposed visuals under low-light conditions.

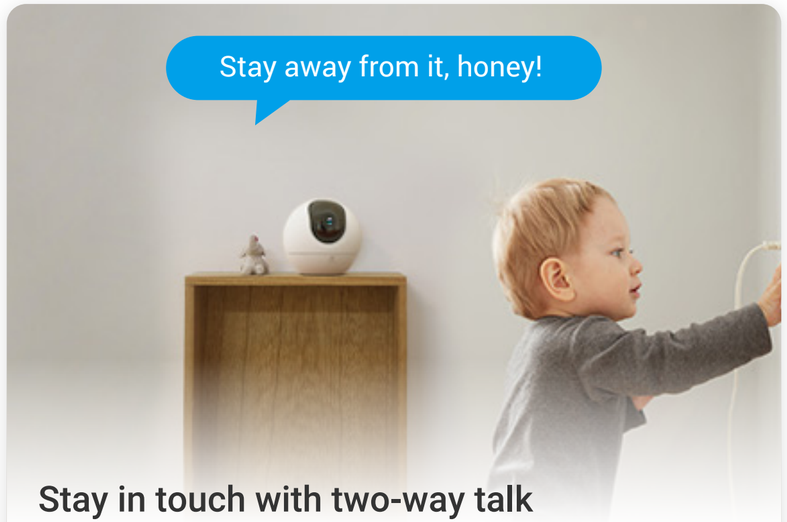

Detect and follow people movements

The camera can smartly distinguish human shapes in particular. It also automatically locks on the detected person to capture the whole activity.

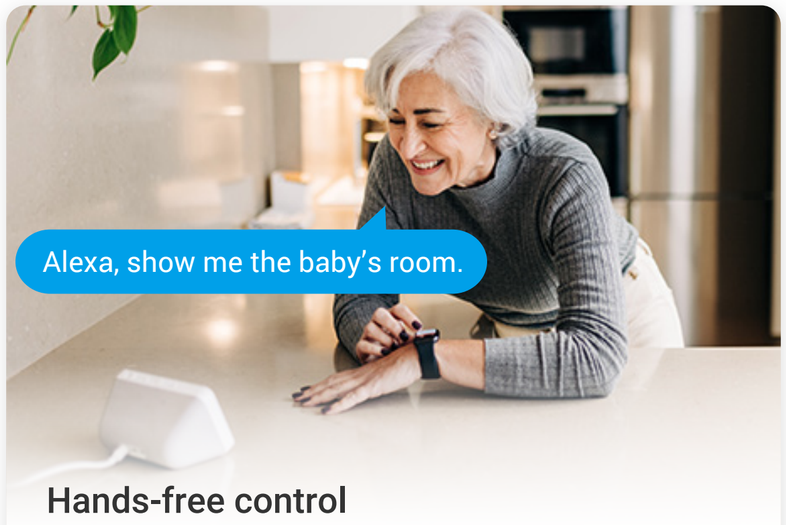

Stay in touch with two-way talk

You can easily engage in real-time conversations with your loved ones even from afar. The C6c provides high-quality two-way audio.

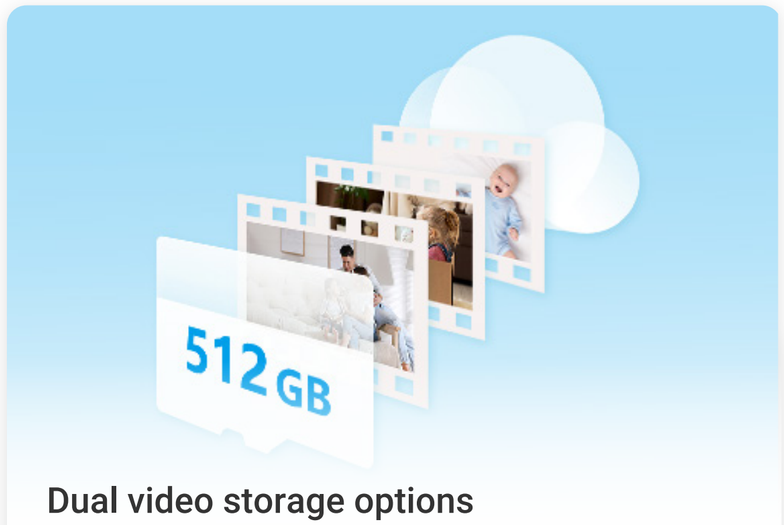

Get notified instantly

Upon motion detection, the C6c promptly sends alerts to your phone. You can check activity details and replay videos as you want.

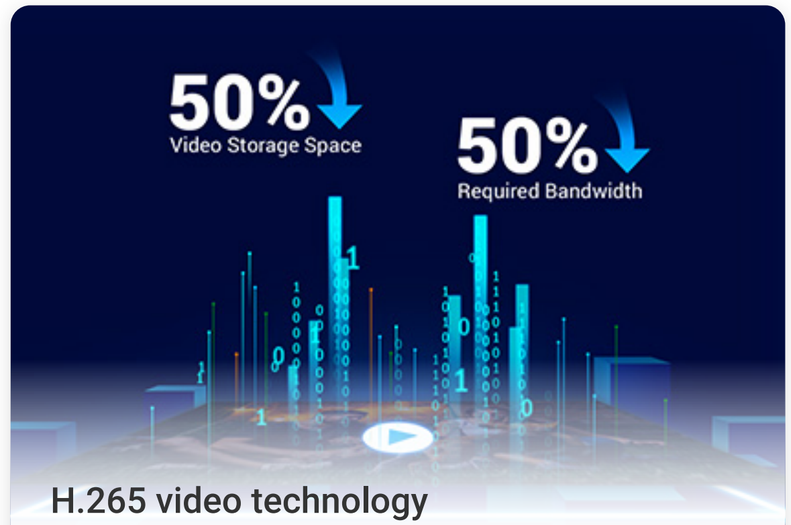

Hands-free control

With integration to your voice assistants, you can pull up the video feed by simply saying "Alexa" or "Hey Google". [1]

Dual video storage options

Capture and secure important moments or unforgettable memories on a large 512 GB microSD card, or by subscribing to the EZVIZ CloudPlay.[2]

H.265 video technology

The H.265 creates a smoother viewing experience while only using about 50% of the data storage space required by other cameras applying the H.264.[3]

We do our best to protect data and privacy

EZVIZ has been awarded by DNV for **information security** (ISO/IEC 27001:2013), **personal data protection** (ISO/IEC 27701:2019), **cloud security** (CSA STAR) and more.
