EZVIZ

HGT2
Remote Controller

Works with all EZVIZ gate opener

Control your gate remotely and easily

The HGT2 remote controller is compatible with all EZVIZ gate openers, offering an easy, convenient way to operate your gate from a distance. Using RF433 technology, it delivers a stable, long-range signal for reliable control. With four buttons, you can instantly open, close, or stop your gate. The fourth button is customizable in the EZVIZ app—use it to control a second EZVIZ gate opener, or pair it with an EZVIZ Wi-Fi relay to operate a compatible third-party motor.
