Light the Way Back Home

With dual 2500 LM LED lights, the Floodlight brightens up your way home and illuminates every dark corner of your front porch, backyard, and anywhere else that needs light.

Extra Protection with Active Defence

When someone enters the Floodlight's 270-degree PIR motion detection area, it emits a 100 dB alarm with flashing light to deter potential intruders. It simultaneously sends an alert with captured images to your smartphones. You can also customize the detection area to keep an eye on places where you need it the most.

ACCURATE ALERT

Sharpest Night Guard

The EZVIZ Floodlight supports night vision up to 18 meters (60 ft.). It renders sharp, full-HD 1080p images even where there are no lights, so you keep a vigilant eye all night long.

Strong and Durable

Built for outdoor use, the Floodlight braves any weather – sun, rain, or snow, it stands strong.
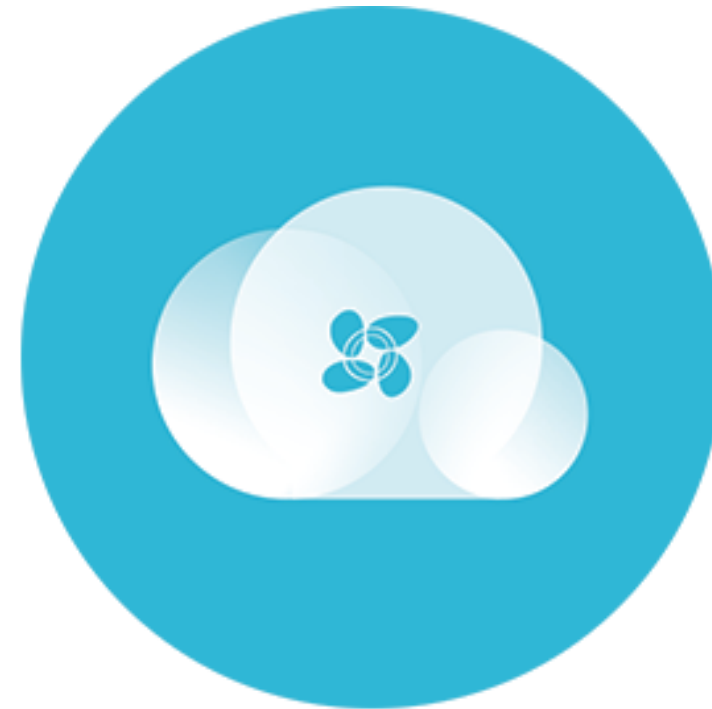

Multiple Storage Solutions

Save your recordings with flexible and secured solutions. The Outdoor Floodlight comes with a built-in MicroSD card slot that can store up to 128 GB recorded footage. You can also save your images to EZVIZ Cloud for Additional back-up.
(EZVIZ cloud storage service is only available in the US,UK and Europe.)
