

RE7 Edge Accessory Pack

Maintain the best cleaning performance of your robot vacuum

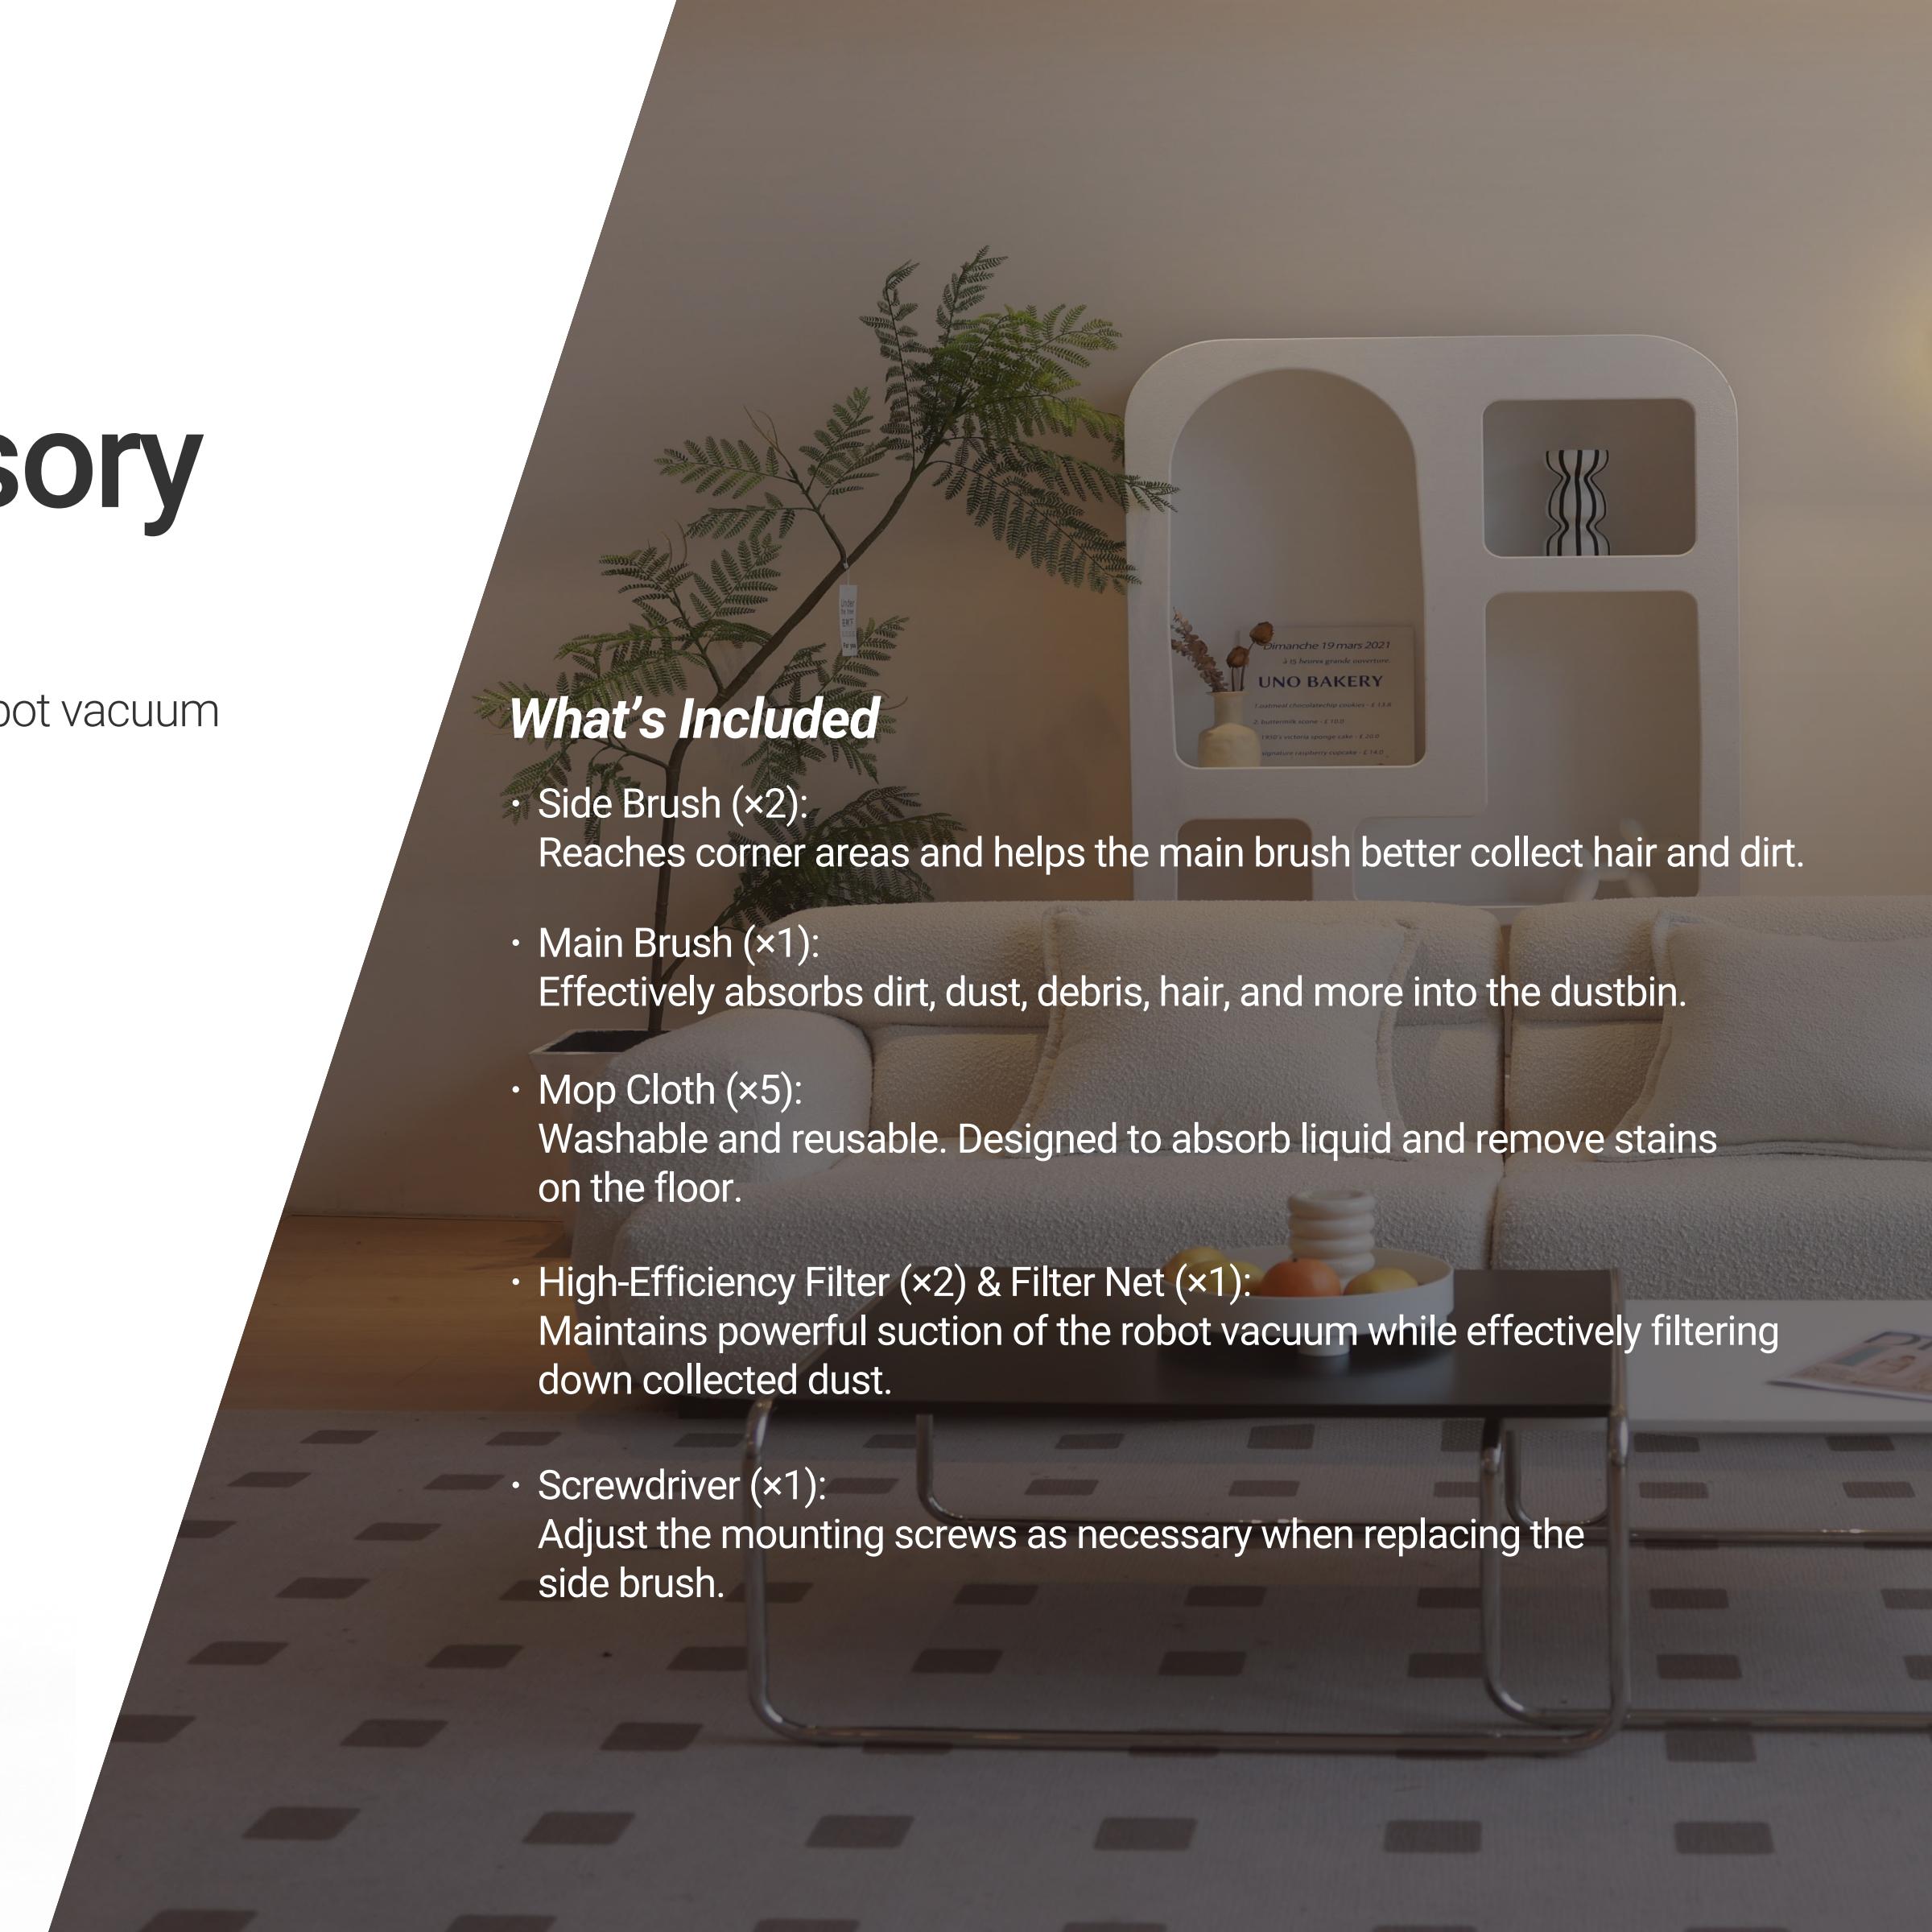

Compatible Model

EZVIZ RE7 Edge Vacuum & Mop Combo

What's Included

- Side Brush (x2):
Reaches corner areas and helps the main brush better collect hair and dirt.
- Main Brush (x1):
Effectively absorbs dirt, dust, debris, hair, and more into the dustbin.
- Mop Cloth (x5):
Washable and reusable. Designed to absorb liquid and remove stains on the floor.
- High-Efficiency Filter (x2) & Filter Net (x1):
Maintains powerful suction of the robot vacuum while effectively filtering down collected dust.
- Screwdriver (x1):
Adjust the mounting screws as necessary when replacing the side brush.
