

T6

100% Wire-Free Open/Close Detector
(must be paired with the A1)

Protect what's valuable to you with the T6.

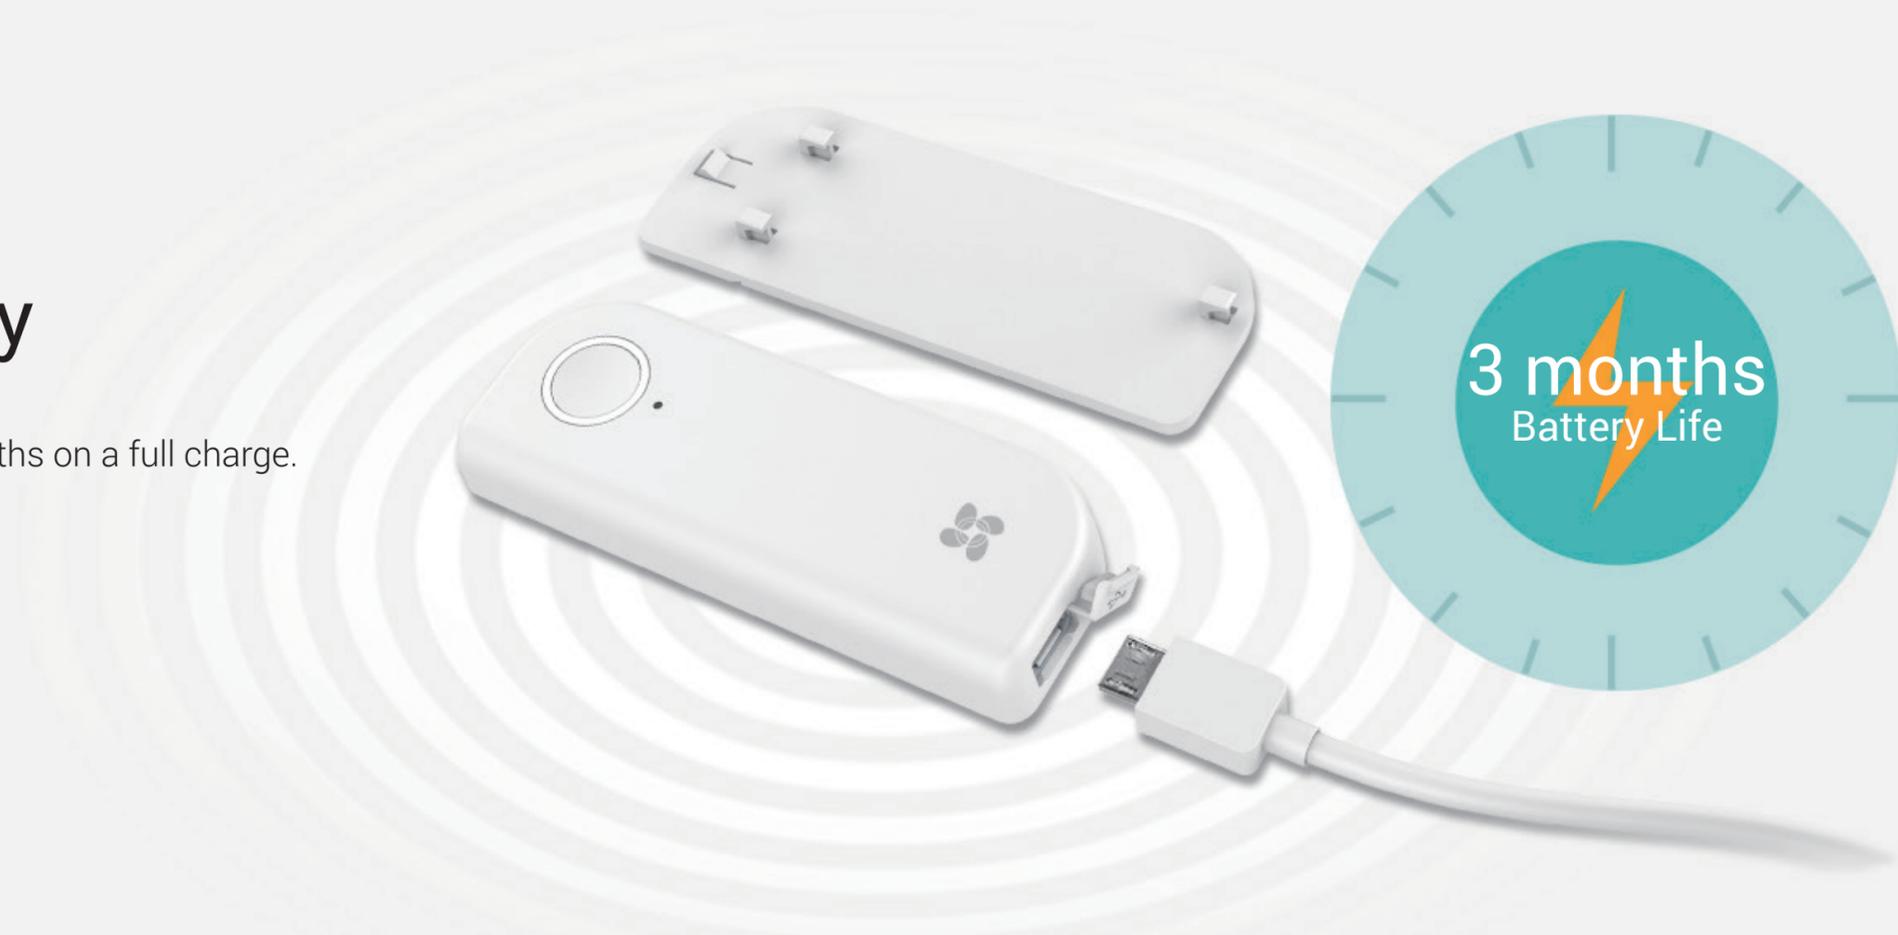

Maximum security

Triggered when a door or window is opened or moved at an angle greater than 3°.

Rechargeable battery

Its built-in rechargeable battery can last 3 months on a full charge.

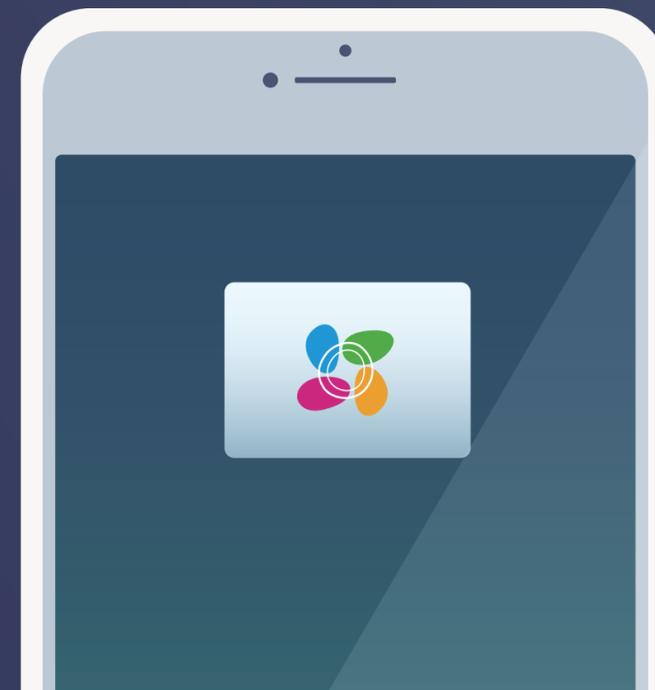

Easy installation

The T6 is lightweight and easy to install on doors, windows or drawers.

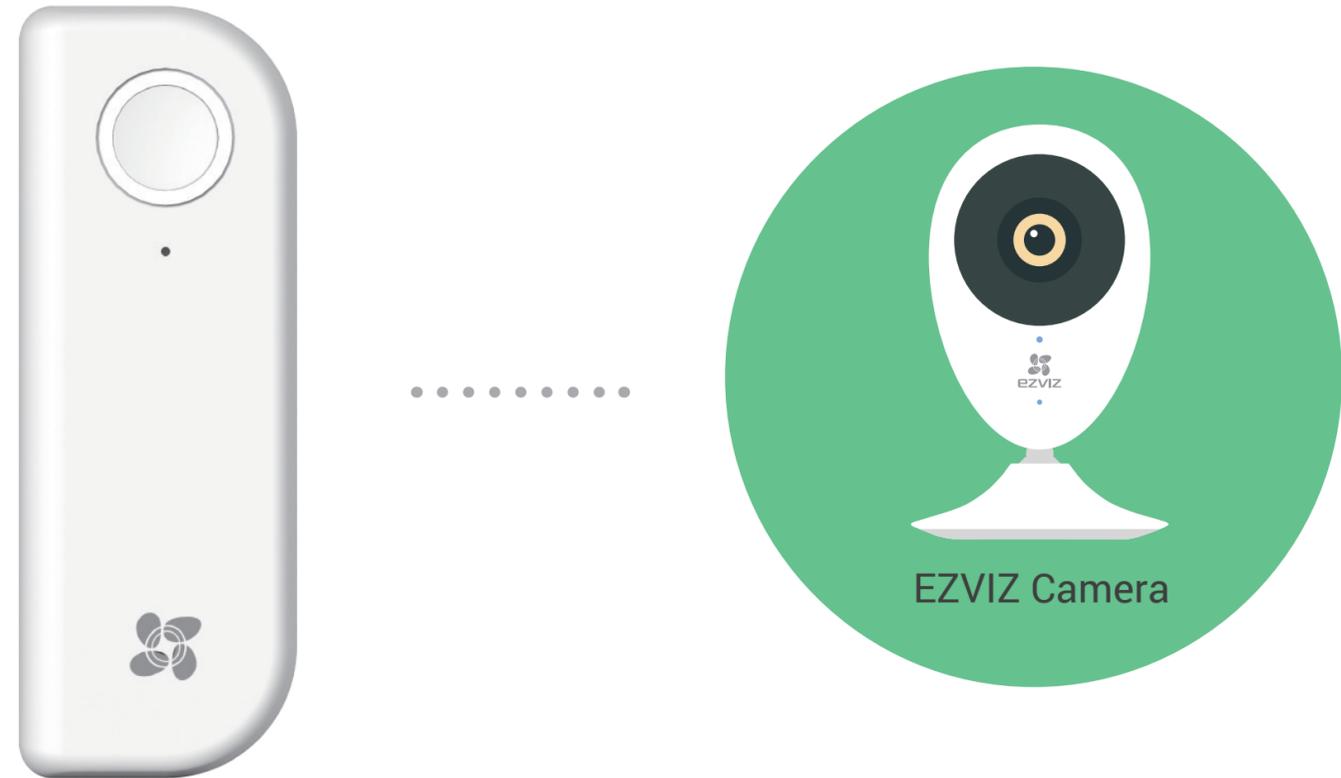

Instant alerts

Whenever the T6 is triggered, the A1 sends an instant alert to the app on your smartphone.

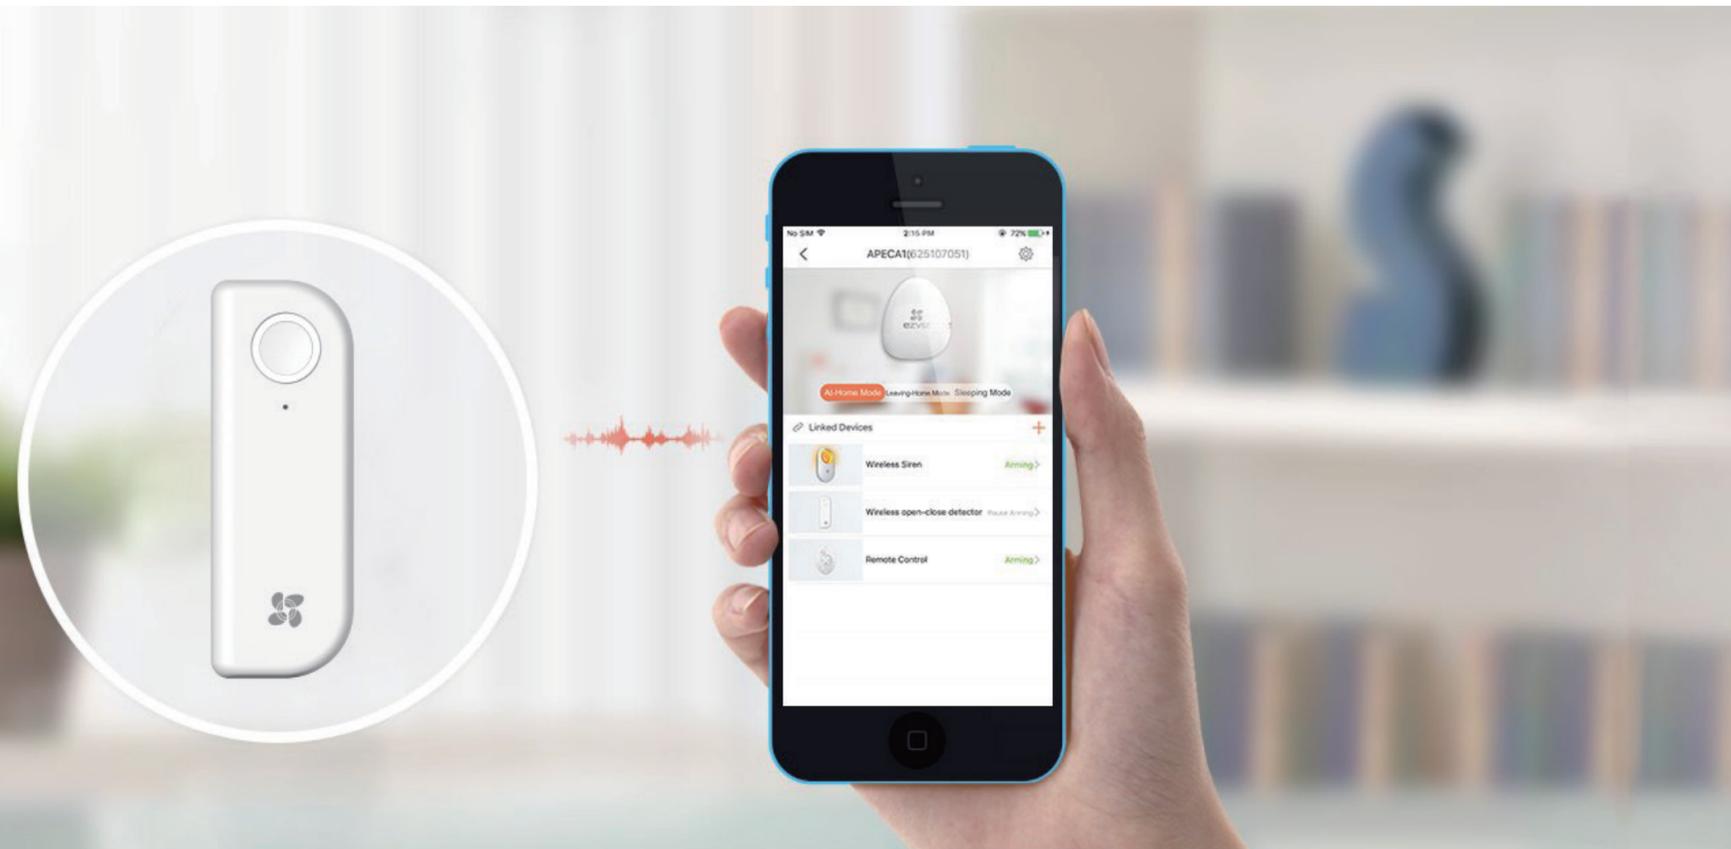

Integrated solution

The A1 can be connected to your EZVIZ cameras. When the T6 is triggered, the camera instantly starts recording images and video.

Control via the EZVIZ App

With the EZVIZ App, you can remotely control the A1 and all devices connected to it even when you are away from home.
